

Course Title:	Looking Good - Day, Evening & Corrective Makeup	
Course Description	<p>On this course you will learn the application of day and evening makeup. As the course progresses you will learn the ways in which you can use corrective make-up to enhance favourite features, whilst disguising any areas for concern. You will really enjoy the different styles and looks you can achieve with simple make-up application and, with a stroke of a brush, changing the entire look. You will learn about some of the different make-up brushes and other 'kit' used in the beauty industry today to create current looks and make-up fashions. Also you will learn how to give effective advice for beauty after-care.</p>	
Learning goals	<p>By the end of this course you should be able to:</p> <ul style="list-style-type: none"> • Carry out all activities with regard to the safety of yourself and others. • Identify and use safely the basic tools and makeup used for application. • Apply either day or an evening look with makeup. • Demonstrate an understanding of corrective make up usage. • Give effective after care advice.
