

# Anyone who lives in Luton can now book a coronavirus test, even with no symptoms.

---

Getting tested is an important way to protect your family and to protect Luton – we urge you to get one.

To book a test **visit [nhs.uk/coronavirus](https://www.nhs.uk/coronavirus)** or **call 119**.

The NHS releases test slots in batches to manage demand. Tests are refreshed often so please keep checking. A home test can be booked at any time.

We are looking to increase capacity to include people who work in Luton and will update on this shortly.
